PROBLEM KO SAMJHO

Pehla Step – Pehchaan, Tabhi Hoga Solution!

Jab tak aap apni problem ko samjhoge nahi, tab tak uska sahi solution mil hi nahi sakta. Chaliye pehle jaante hain ki jaldi discharge (premature ejaculation) ya stamina ki kami kyu hoti hai.

IMPORTANT TRUTH

Yeh problem bahut common hai aur sharm ki baat bilkul nahi hai. **70%+** men life mein kisi na kisi time isse face karte hain.

JALDI DISCHARGE YA STAMINA KI KAMI KE COMMON REASONS

1 OVERTHINKING & STRESS

Zyada sochna, anxiety aur stress brain ko weak karta hai aur control kam kar deta hai.

2 EXCESSIVE MASTURBATION

Bahut zyada hastmaithun karne se sensitivity kam ho jati hai aur jaldi climax hone lagta hai.

3 POOR DIET & LIFESTYLE

Junk food, oily food, smoking, alcohol aur late night jagna stamina ko directly affect karte hain.

4 PORN ADDICTION

Porn dekhne ki aadat real life performance ko kharab karti hai aur unrealistic expectations badhati hai.

5 LACK OF EXERCISE & WEAK BODY

Body weak hogi to stamina kaise strong hoga? Exercise na karna ek bada reason hai.

6 HORMONE IMBALANCE

Testosterone level kam hona, ya hormonal imbalance bhi performance par asar dalta hai.

7 RELATIONSHIP PROBLEMS

Partner se connection ki kami, jhagde ya emotional distance bhi performance ko effect karte hain.

8 LACK OF EXPERIENCE

Naye partner ke saath experience ki kami ki wajah se bhi control nahi kar paate.

GOOD NEWS – SOLUTION HAI!

Upar diye gaye reasons 100% solvable hain. Sahi knowledge, regular practice, exercises, diet aur lifestyle improve karke aap apne timing, stamina aur confidence ko next level tak le ja sakte hain.

Is guide mein aapko step by step practical techniques milengi jo aapke results ko 7 din mein dikhana shuru kar dengi.

YAAD RAKHO:

Aapka past kaisa bhi raha ho, lekin aapka future aapke haath mein hai. Aaj se sahi step lo, **7 din** mein naya aur **behtar aapko experience** hoga!

YE GUIDE SIRF EDUCATIONAL PURPOSE KE LIYE HAI.

Kisi bhi medical condition ya serious problem ke liye hamesha qualified doctor se consult karein.

MIND & BODY CONNECTION

CONTROL KA SABSE BADA SECRET!

Performance sirf body ki strength se nahi,
 balki mind ki control power se hoti hai.
 Jab mind relax, focused aur positive hota hai,
 tabhi body best perform karti hai.

CALM MIND
Anxiety kam
hogi, control
badega.

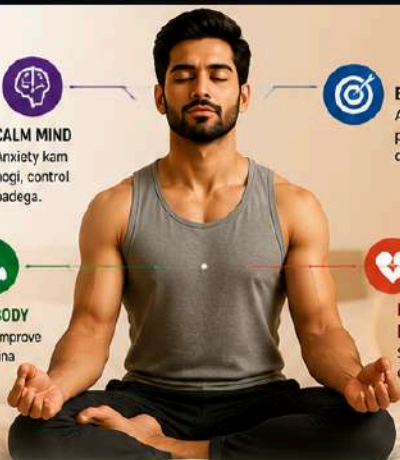

BETTER FOCUS
Attention moment
par rahega, jaldi
discharge nahi ho

STRONG BODY
Blood flow improve
hoga, stamina
badega.

**EMOTIONAL
BALANCE**
Stress kam hoga,
confidence badh

SIMPLE BAAT

Mind order deta hai,
Body follow karti hai.

Jab aapka mind overexcited ya stress mein hota hai,
tab brain jaldi signal bhej deta hai aur climax jaldi
ho jata hai.

Solution? – Mind ko train karo, Body automatically
control mein aa jayegi.

MIND KE DUSHMAN

Overthinking & Tension

Dimag hamesha sochta rahega to control
kam hoga.

Excess Porn & Fantasy

Brain over-stimulate hota hai, real life
performance down hoti hai.

Poor Sleep

Neend kam hone se testosterone kam
hota hai, stamina girta hai.

Negative Self Talk

Main nahi kar paunga...ye soch aapka
confidence tod deti hai.

Relationship Stress

Dimaag pareshaan hoga to bedroom
performance affected hogi.

Yeh Kaise Kaam Karta Hai?

Dimag Excited / Stress
(Overthinking, Porn,
Anxiety)

Brain se Jaldi Signal
(Nervous System
Overactive)

**Penis Me Blood Flow
Jaldi High**
(Excitement Peak)

Climax Jaldi
(Control Kam)

Mind Ko Kaise Control Kare?

Deep Breathing

Roz 5-10 min deep breathing karo.
Mind calm hoga.

Meditation / Mindfulness

Roz 10 min meditation se focus
aur control improve hota hai.

Positive Self Talk

Khud se bolo – "Main strong hoon,
main control kar sakta hoon."

Porn Se Distance

Dimag ko real life connection ke liye
reset karo.

Goal Visualization

Apne aap ko confident aur successful
imagine karo.

BODY KA ROLE PERFORMANCE MEIN

- ✓ Strong Muscles = Better Endurance
- ✓ Healthy Heart = Better Blood Flow
- ✓ Good Hormones = High Stamina
- ✓ Active Lifestyle = Long Lasting Performance
- ✓ Healthy Diet = Energy & Strength

BLOOD FLOW – PERFORMANCE KA FUEL

Jitna behtar blood flow hoga, utna behtar erection,
stamina aur stamina aur control

POOR BLOOD FLOW
(Weak Erection, Jaldi Climax)

IMPROVED FLOW
(Better Stamina)

GOOD BLOOD FLOW
(Strong Erection, Better Control)

KEY TAKEAWAY

Mind ko train karo,
Body automatically
result degi!

Yaad Rakho:

Control koi ek din ka kaam nahi.
Roz ki chhoti practice, aapko
7 din mein bada change degi!

IMPORTANT NOTE

Yeh guide educational purpose ke liye hai.
Agar aapko koi medical condition ya serious problem hai,
to kisi qualified doctor se consult zaroor karein.

CONFIDENCE & CONTROL MINDSET

MINDSET Sahi, To Result Pakka!

Stamina aur control sirf body se nahi, mind se aata hai. Agar aapka mindset strong hai, to aap kisi bhi situation mein calm rah kar better perform kar sakte ho.

Yaad Rakho: Control koi ek din ka kaam nahi, ye ek skill hai jo practice se master hoti hai.

“

Strong Mind = Strong Control
Calm Mind = Long Lasting Performance
Positive Mind = Happy Relationship

”

STRONG MINDSET KE BENEFITS

BETTER CONTROL

Aap apne excitement aur urges ko control kar paate ho.

MORE STAMINA

Mind calm rahega to energy waste nahi hogi.

FOCUS IMPROVE

Distractions kam honge, aur aap partner par better focus kar paenge.

HIGH CONFIDENCE

Jitna control, utna confidence aur satisfaction.

BETTER RELATIONSHIP

Aapka partner bhi zyada satisfied hoga aur bond aur strong hoga.

STRONG MINDSET KAISE BANAYE?

- ✓ **Self Believe Rakho** – “Main Control Kar Sakta Hoon”
Roz subah aur raat ko khud se positive affirmation bolo.
- ✓ **Overthinking Chhodo**
Zyada sochne se anxiety badhti hai aur performance girti hai.
- ✓ **Past Ko Bhoolo, Present Pe Focus Karo**
Pehle jaldi discharge hua? Koi baat nahi, ab aap better kar rahe ho.
- ✓ **Practice Ko Habit Banao**
Daily exercises, breathing aur techniques follow karo.
- ✓ **Healthy Lifestyle Follow Karo**
Sleep, diet, exercise – sab aapko mindset ko strong banate hain.

WEAK MINDSET KYA NUKSAN KARTA HAI?

- ✗ **Self Doubt** – “Main Nahi Kar Paunga”
Self doubt se anxiety aur jaldi discharge hota hai.
- ✗ **Performance Pressure**
Zyada pressure lena se body tight ho jati hai, aur control chala jata hai.
- ✗ **Negative Thoughts**
Negative soch aapki energy aur confidence dono ko khatam kar deti hai.
- ✗ **Comparison With Others**
Har body alag hoti hai, comparison se sirf frustration milta hai.
- ✗ **Porn Overuse**
Porn unrealistic expectation set karta hai, aur real life performance ko affect karta hai.

DAILY MINDSET ROUTINE (5-10 MINUTES)

STEP 1

5 Min Deep Breathing
Mind calm karo, stress ko bahar nikalo.

STEP 2

Positive Affirmation
Khud ko bolo – “Main strong, calm aur confident hoon.”

STEP 3

Visualization
Imagine karo ki aap full control ke sath perform kar rahe ho.

STEP 4

Daily Goal Set Karo
Aaj ka goal – better control, better stamina.

STEP 5

Good Sleep
7-8 ghante ki neend mindset aur hormones dono ko boost karti hai.

Yaad Rakho:

Body ko train karna important hai, lekin **Mind** ko train karna sabse zyada important hai!

Aaj Se Naya Mindset Apnao!

Aap weak nahi ho, bas aapko sahi techniques aur mindset ki zaroorat hai. **7 din tak** is guide ko follow karo, aapki life aur performance dono change ho jayegi!

CONTROL TECHNIQUES

AB CONTROL AAPKE HAATH MEIN!

In techniques ko regular practice karne se aap apne discharge, timing aur stamina ko naturally control kar sakte ho.
Ye simple hai, safe hai aur **100% practical** hai.

Technique + Practice + Patience
= Long Lasting Performance
Aur Full Satisfaction

IMPORTANT RULE:

In techniques ko bina jaldi kiye, relax hokar aur positive mind ke saath practice karein.

Safe & Natural

No Side Effects

Anyone Can Do

Proven Results

1. START - STOP TECHNIQUE

Ye sabse popular aur effective technique hai premature ejaculation control ke liye.

KAISE KAREIN?

1. Apne partner ke saath ya bina partner ke stimulation start karein.
2. Jab apko lage ki aap discharge ke kareeb ho (90% point), tab stimulation ko turant stop kar dein.
3. Deep breath lein aur arousal level ko 40-50% tak neeche aane dein.
4. Jab control wapas aa jaye, fir se start karein. Is process ko 3-4 baar repeat karein.

VISUAL GUIDE

TIP: Roz 2-3 baar practice karein, kuch hi dino mein control improve hoga.

2. SQUEEZE TECHNIQUE

Jab apko lage ki discharge hone wala hai, tab ye technique apko turant control wapas dilati hai.

KAISE KAREIN?

1. Thumb aur index finger se penis ko base (jahan head aur shaft milte hain) ko pakdein.
2. Halke pressure se 5-10 second tak squeeze karein.
3. Apko urge kam hota hua feel hoga.
4. Pressure chhod dein aur deep breath lein.

Ye technique apko turant control deti hai jab aap almost climax ke bahut kareeb hote hain.

3. BREATHING CONTROL

Sahi breathing aapke arousal level ko control karti hai aur mind ko calm rakhti hai.

KAISE KAREIN?

1. 4 second tak naak se deep breath lein.
2. 2 second tak breath hold karein.
3. 6 second tak muh se dheere dheere saans bahar chhodein.
4. Isse mind calm hota hai aur control strong hota hai.

Roz 5-10 minute breathing practice zaroor karein. Ye overall performance ko next level par le jati hai.

4. PELVIC FLOOR CONTROL (KEGEL)

Ye technique aapke private muscles ko strong banati hai jo ejaculation control ke liye bahut important hai.

KAISE KAREIN?

1. Bathroom jaste waqt urine flow ko beech mein rokein.
2. Jo muscle use hui, wahi aapki pelvic floor muscle hai.
3. Roz 3 set karein: 10-15 contraction (5 sec hold + 5 sec relax).
4. Din mein 2-3 baar practice karein.

Strong pelvic muscles = Better control + Stronger erections + More stamina

IMPORTANT KEY POINTS

Consistency sabse important hai - roz practice karein.

Jaldi result ki expectation na rakhi, 7 din regularly follow karein.

Stress, anxiety aur overthinking se door rakhi.

Healthy diet, exercise aur proper sleep ko follow karein.

Partner ke saath pyaar aur communication badhayein.

Yaad Rakho:

Control ek skill hai, jo practice se aata hai. Aap jitna practice karoge, utna hi master banoge!

MEDICAL OPTIONS (JAB ZARURAT HO)

Agar problem jyada serious hai ya long time se hai, to kuch medicines help kar sakti hain.

COMMONLY USED OPTIONS (Sirf Doctor ki Salah se):

- Dapoxetine
- Clomipramine
- Paroxetine
- Sertraline

Ye medicines sirf doctor ki salah se use karein. Self medication se bachain. Doctor se consult karna best hai.

TECHNIQUE + PRACTICE + POSITIVE MINDSET = LONGER STAMINA, BETTER CONTROL, FULL SATISFACTION!

POWERFUL EXERCISES

STRONG BODY, BETTER STAMINA

REGULAR EXERCISE = BETTER CONTROL + MORE STAMINA + FULL SATISFACTION

Strong body, healthy muscles, proper blood circulation aur hormone balance aapke stamina aur performance ko naturally boost karte hain. Niche diye gaye exercises ko regular follow karein.

**IMPORTANT:**

Har exercise ko sahi form aur breathing ke saath karein. Consistency se hi real results milte hain.

EXERCISE KE TOP BENEFITS

Muscles Strong
Bante Hain

Blood Flow
Improve Hota Hai

Stamina & Energy
Badhati Hai

Stress Kam,
Mind Relax

Confidence &
Control Badhta Hai

1. KEGEL EXERCISE (PC MUSCLE WORKOUT)

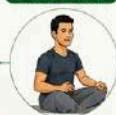

Yeh sabse important exercise hai jo aapke PC muscle (pubococcygeus) ko strong banati hai. Yehi muscle ejaculation control mein madad karti hai.

KAISE KAREIN?

- 1 Bathroom mein urine rokne ki koshish karein.
- 2 Jo muscle use hota hai, wahi PC muscle hai.
- 3 Us muscle ko 5 second tight karein.
- 4 5 second relax karein.
- 5 15-20 reps karein, din mein 3 set.

1. Identify Karein
PC muscle ko pehchane.

2. Tight Karein
5 sec ke liye tight karein.

3. Relax Karein
5 sec ke liye relax karein.

4. Repeat Karein
15-20 reps, 3 set daily.

✓ TIP: Roz regular karne se 2-3 hafta mein noticeable results milenge.

2. SQUATS (LOWER BODY STRENGTH)

Squats lower body, leg muscles aur core ko strong banate hain. Ye blood circulation improve karke stamina badhate hain.

KAISE KAREIN?

- 1 Pair shoulder width par rakhein.
- 2 Back straight rakhein.
- 3 Dheere se niche baithen (jaise kursi par baith rahe ho).
- 4 Thighs ground ke parallel tak le jayein.
- 5 Dheere se wapas upar aayein.
- 6 3 set x 15 reps karein.

💡 Benefit: Testosterone boost, energy increase, leg strength aur stamina improve.

4. PLANK (CORE STRENGTH & STAMINA)

Plank core muscles ko strong banata hai, posture improve karta hai aur endurance badhata hai.

KAISE KAREIN?

- 1 Plank position mein aayein.
- 2 Elbow shoulder ke neeche rakhein.
- 3 Pure body ko straight rakhein.
- 4 20-60 second tak hold karein.
- 5 3 set karein.

💡 Benefit: Core strong, back pain kam, stamina increase, body control better.

EXTRA TIPS FOR BEST RESULTS

PARTNER KO MAXIMUM SATISFACTION DENE KE SECRETS

1 FOREPLAY KO IMPORTANT BANAO

- Foreplay se partner ka arousal naturally build hota hai.
- Jaldi shuru mat karo, time do, touch, kiss aur emotional connection pe focus karo.
- Foreplay jitna accha hoga, pleasure utna zyada milega.

2 PARTNER KI NEEDS SAMJHO

- Har partner ki likes & dislikes alag hoti hain.
- Open communication rakho, unse pucho kya unhe accha lagta hai.
- Unke body language aur response ko observe karo.

3 SLOW & DEEP MOVEMENTS

- Slow, deep aur rhythm ke sath movement se g-spot / pleasure zone stimulate hota hai.
- Sirf speed se nahi, control aur technique se zyada pleasure milta hai.
- Stop-start technique use karke arousal high rakho.

4 UNHE COMFORTABLE FEEL KARAO

- Relaxed environment, pyar bhari baatein aur emotional connection bahut important hai.
- Jab partner comfortable feel karti hai, tab unka pleasure double hota hai.
- Unhe special feel karvao, unki tarf karo.

PRO TIP

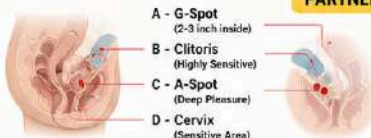

Jab aapka mind calm hota hai aur aap control mein hote ho, tab aap apne partner ko zyada time, zyada pleasure aur zyada satisfaction de pate ho.

5 CLIMAX CONTROL = DONO KA PLEASURE

- Apna climax control karna seekho.
- Jab aap control mein hote ho, tab aap apne partner ko multiple orgasms tak le ja sakte ho.
- Unka climax aapke control se directly connected hai.
- Unke satisfaction ke baad hi khud climax karo.

PARTNER KE PLEASURE ZONES (LADIES)

- ★ Foreplay se Clitoris ko stimulate karo.
- ★ G-Spot pe deep pressure do (come-hither movement).
- ★ A-Spot aur deep area ko slow touch do.
- ★ Different positions try karo for better stimulation.

♥ IMPORTANT:

Har partner alag hoti hai, patience rakho, samjho, aur unke response ke hisab se move karo.

KYA KAREIN? (DO'S)

- ✓ Foreplay pe time do
- ✓ Partner se pyaar se baat karo
- ✓ Unki body ko explore karo
- ✓ Sahi position choose karo
- ✓ Slow, deep aur controlled movement karo
- ✓ Unke satisfaction ko priority do
- ✓ Healthy lifestyle follow karo
- ✓ Regular exercise & kegel zarur karo

KYA NA KAREIN? (DON'TS)

- ✗ Jaldi jaldi mat karo
- ✗ Sirf apne pleasure pe focus mat karo
- ✗ Force ya rough behavior use mat karo
- ✗ Porn dekh ke unrealistic expectation mat rakho
- ✗ Stress, tension, gussa lekar bed pe mat jao
- ✗ Alcohol ya drugs ka zyada use mat karo
- ✗ Bina communication ke assume mat karo

YAAD RAKHO:

A Great Lover woh nahi jo jaldi climax kare, balki woh jo control kare aur partner ko complete pleasure de! ♥

FINAL MANTRA:

Control + Technique + Love =
Maximum Pleasure + Strong Relationship

COMMON MISTAKES

JO AAPKO WEAK BANATE HAIN AUR PLEASURE KAM KARTE HAIN!

Zyada tar men kuch common galtiyan karte hain jisse stamina kam hota hai, control lose hota hai aur partner satisfied nahi ho pati.

In galtiyan se bachiyi aur apni performance ko next level pe le jaiye!

! Galtiyan pehchano, sudhar karo aur best lover bano!

PERFORMANCE KO KHARAB KARNE WALI 10 SABSE BADI GALTIAN

1 JALDI KARNA (NO PATIENCE)

- Foreplay skip karke direct intercourse karna.
- Jaldi result chahna aur control na rakhna.
- Isse arousal high ho jata hai aur aap jaldi discharge kar dete ho.

SOLUTION: Slow raho, enjoy the process, result khud better hoga.

2 GALAT BREATHING

- Saans rokna ya fast breathing karna.
- Isse body tense hoti hai, control kam hota hai aur stamina jaldi khatam hota hai.

SOLUTION: Deep, slow breathing se mind calm aur control better hota hai.

3 ZYADA PORN DEKHNA

- Dimag unrealistic expectations set karta hai.
- Arousal level disturb hota hai.
- Real life performance par negative impact padta hai.

SOLUTION: Porn kam karo ya band karo, real connection par focus karo.

4 EXERCISE NA KARNA

- Body weak hone se stamina aur energy low hoti hai.
- Blood circulation poor hota hai.
- Erection quality aur control dono par asar padta hai.

SOLUTION: Regular exercise, kegel aur workout zarur karo.

5 GALAT POSITION KA CHOICE

- Har body aur har situation ke liye ek hi position use karna.
- Galat position se control kam ho sakta hai aur stamina jaldi khatam hota hai.

SOLUTION: Apni body aur control ke hisaab se sahi position choose karo.

6 OVERTHINKING & STRESS

- Dimag me tension, kam ka stress, future ki chinta rakhna.
- Isse mind distracted hota hai aur performance par bahut bura asar padta hai.

SOLUTION: Mind ko relax karo, meditation aur deep breathing karo.

7 UNHEALTHY LIFESTYLE

- Junk food, late night jagna, smoking, alcohol, drugs.
- Ye sab aapki energy, hormones aur stamina ko weak kar dete hain.

SOLUTION: Healthy diet, proper sleep aur bad habits se door raho.

8 KEGEL EXERCISE NA KARNA

- PC muscle (pubococcygeus) weak reh jati hai.
- Control, erection quality aur stamina improve nahi hote.

SOLUTION: Roz kegel exercise karke PC muscle strong banao.

9 PARTNER KI NEEDS IGNORE KARNA

- Sirf apni pleasure par focus karna.
- Partner ki feelings, comfort aur pleasure ko ignore karna.

SOLUTION: Partner ko samjho, unki needs par diyan do, connection build karo.

10 CONSISTENCY NA RAKHNA

- Kabhi practice karna, kabhi chhod dena.
- Consistency na hone se results slow aate hain ya milte hi nahi.

SOLUTION: Roz thoda practice karo, consistency se hi master banoge.

IN GALTIAN KE NUKSAAN

- ✗ Jaldi discharge
- ✗ Control lose
- ✗ Partner unsatisfied
- ✗ Confidence kam
- ✗ Relationship problems
- ✗ Stress aur guilt
- ✗ Erection problems ka risk
- ✗ Self respect kam hoti hai
- ✗ Body weak aur energy low
- ✗ Long term performance down
